

Mohamed Abou El-Enein

Publication List

(as of August 2016)

Mohamed Abou-El-Enein, Georg N. Duda, Elliott A. Gruskin, David W. Grainger: Strategies for De-Risking Translational Processes for Biomedical Technologies. Trends in Biotechnology. In Press

Mohamed Abou-El-Enein, Gerhard Bauer, Nicholas Medcalf, Hans-Dieter Volk, Petra Reinke: Putting a price tag on novel autologous cellular therapies. Cytotherapy. 08/2016; 18(8): 1056-1161. DOI:10.1016/j.jcyt.2016.05.005

Mohamed Abou-El-Enein, Christian K. Schneider: Deciphering the EU clinical trials regulation. Nature Biotechnology. 03/2016; 34(03): 06-09.

Mohamed Abou-El-Enein, Gerhard Bauer, Petra Reinke: Gene therapy: A possible future standard for HIV care. Trends in Biotechnology. 06/2015; 33(7): 374-376. DOI:10.1016/j.tibtech.2015.03.006

Mohamed Abou-El-Enein, Gerhard Bauer, Petra Reinke, Matthias Renner, Christian K. Schneider: A roadmap toward clinical translation of genetically-modified stem cells for treatment of HIV. Trends in Molecular Medicine. 09/2014; 11(20): 632-642. DOI:10.1016/j.molmed.2014.08.004

Mohamed Abou-El-Enein, Gerhard Bauer, Petra Reinke: The business case for cell and gene therapies. Nature Biotechnology. 12/2014; 32(12): 1192-1193. DOI:10.1038/nbt.3084

Mohamed Abou-El-Enein, Andy Römhild, Daniel Kaiser, Carola Beier, Gerhard Bauer, Hans-Dieter Volk, Petra Reinke: Good Manufacturing Practices (GMP) manufacturing of advanced therapy medicinal products: A novel tailored model for optimizing performance and estimating costs. Cytotherapy 03/2013; 15(3): 362-83. DOI:10.1016/j.jcyt.2012.09.006
