Connecting excellence in science: AGYA is looking for new members!

The Arab-German Young Academy of Sciences and Humanities (AGYA) is pleased to announce its Call for Membership Applications 2022. AGYA promotes research cooperation among excellent early-career researchers (3–10 years after PhD) from all disciplines affiliated with a research institution in Germany or any Arab country. The academy supports interdisciplinary projects by its members in various fields of research, science policy, and capacity building.

AGYA members from 23 countries can realize innovative projects and joint initiatives on topics such as Arab and German Education; Common Heritage and Common Challenges; Dynamics of Transformation; Energy, Water and Environment; Health and Society; and Innovation.

AGYA is based at the Berlin-Brandenburg Academy of Sciences and Humanities (BBAW) in Germany and at the Academy of Scientific Research and Technology (ASRT) in Egypt. AGYA is funded by the German Federal Ministry of Education and Research (BMBF) and several Arab and German partners.
