

*I believe the ability to integrate multiple perspectives is essential for advancing research and creating viable solutions that have a societal impact. Within the AGYA community, international interdisciplinary research means learning through dialogue, developing new collaborative opportunities, and promoting committed pluralism.*

Dr. Sonja Buxbaum-Conradi  
AGYA Alumna, Helmut Schmidt University Hamburg, Germany

*AGYA has been a milestone in my career. Now as an academic leader, I can rely on many capacities acquired during my AGYA membership and on a trusted network of excellent researchers – a network I am delighted to draw upon as we build our university's future.*

Prof. Dr. Bassam Alameddine  
AGYA Alumnus Chemistry, President of the American University of Ras Al Khaimah, UAE

RESEARCH COLLABORATION?

# AGYA CALL FOR MEMBERSHIP 2026

APPLY NOW  
BEFORE 23 MARCH 2026

# The Arab-German Young Academy of Sciences and Humanities (AGYA) is looking for new members!

**Connect. Collaborate. Co-create.** AGYA promotes research cooperation among excellent early-career researchers (3-10 years after PhD) from all disciplines affiliated with a research institution in Germany or any Arab country.

The Academy supports the inter- and transdisciplinary research projects by its members who collaborate in Arab-German tandems and working groups on topics such as Health and Society; Dynamics of Transformation; Energy, Water and Environment; Arab and German Education; Common Heritage and Common Challenges; and Innovation.

AGYA is based at the Berlin-Brandenburg Academy of Sciences and Humanities (BBAW) in Germany and at the Academy of Scientific Research and Technology (ASRT) in Egypt. It is funded by the German Federal Ministry of Research, Technology and Space (BMFTR) and several Arab and German cooperation partners.
