

Dear colleagues and friends of AGYA,

In this newsletter edition, we invite you to explore AGYA's innovative research projects, covering topics such as visual culture in antiquity and early Islam, Arab-German techno culture, urban tree management in Sudan, and minority law in Arab countries.

We are also excited to introduce the new AGYA podcast *Qiyada*, which delves into female leadership, offering practical insights for navigating professional challenges and fostering meaningful change in diverse academic and corporate environments.

Please do not forget to check out our latest call, publications, and upcoming events.

We wish you an inspiring read!
