

Dear colleagues and friends of AGYA,

The **Call for Membership Applications 2025** of the Arab-German Young Academy of Sciences and Humanities (AGYA) is still open until **10 April 2025**. We look forward to receiving your application if you are an early-career scholar (3-10 years post-PhD) affiliated with a German or an Arab academic institution. This is your opportunity to join our dynamic Academy, engage in interdisciplinary collaborations, and explore innovative cross-cultural perspectives.

In this newsletter, you find information on how to apply for AGYA membership. Moreover, you can discover a selection of AGYA research projects that exemplify the diversity, richness, and innovative spirit of the AGYA research activities. The AGYA members and alumni/ae investigate topics such as the digitisation of historical records, urban housing, science communication, media practices in exile, and many more.

Please spread the word, and share this newsletter within your esteemed networks.
